## CONSULTING

### About Us

**Saint George Consulting, Inc. a Service-Disabled Veteran-Owned Small Business (SDVOSB), a Management Consulting Company and CPA Firm** is registered and verified in the VetBiz.gov Vendor Information Pages (VIP) database at [www.vetbiz.gov](http://www.vetbiz.gov) in accordance with Veteran Affairs Acquisition Regulation (VAAR) 852.215-70 and registered in the Central Contractor Registration (CCR) as required by 48 C.F.R. Subpart 4.22 and can be found by searching the System for Award Management (SAM) database at <https://www.sam.gov>. In addition, Saint George Consulting, Inc. is registered by the Virginia State Board of Accountancy as a Certified Public Accounting (CPA) Firm and can be verified at <https://secure1.boa.virginia.gov/Verification>

- Founded with a primary mission to provide regulatory, program management, business management, financial management, accounting and audit support services to public sector agencies and private sector entities affected by the passing of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, Pub. L. No. 111-203 (July 21, 2010). However, due to high interest and demand, Saint George Consulting, Inc. has since expanded its professional service offerings and market.
- Since incorporation, Saint George Consulting, Inc. continues to expand its access to subject matter professionals and a network of small, medium and large business partners. These partners consist of accounting firms, management consulting and information technology companies.
- Saint George Consulting, Inc. corporate office is located just outside of Washington, D.C., in Vienna, Virginia, with close proximity to Tyson's Corner and the Dunn Loring Metro.

### Keys to Success

SGC has established the following 'Keys to Success':

- Knowledge of federal and commercial practices
  - Drawing on the disciplines of accounting advisory and management consulting in both public and private sector to bring a fresh perspective to complex business issues
- National reach
  - Access to subject matter professionals and network of small, medium and large business partners (accounting firms, management and information technology companies)
- Client mission focus
  - Focus on the client's mission and integrate processes, people and technology
- Enabling technology
  - Help you identify key enabling technologies to enhance your business practices
- Trusted business advisor
  - Professionals with independence, business acumen, knowledge, experience and integrity
